Paint the Town Red

Dress in red, just a touch or head-to-toe, and be the first to red dot your favorite artwork to make it your own. Enjoy music, dancing, cocktails, hors d'oeuvres, and a silent auction featuring pairings of red wine and culinary experiences. Paint the town red as you red dot to your heart's content!

Featuring Red Dot Reserve

See something you like? Make it yours with new Red Dot Reserve, an exciting twist on art-buying that puts the power of the red dot at your fingertips. Act fast! Surprises are in store for those who acquire art with their red dots before 8:30 pm.
