Art Center Closed

May 23-25
July 3

Main Line Art Center is our community's home to discover, create, and experience visual art. From award-winning classes, to contemporary and innovative exhibitions, you can count on quality and expect the unexpected at Main Line Art Center. The mission of the Center is to inspire and engage artistic creativity for all ages and abilities and celebrate and strengthen the essential role of visual art in community life.

Last year over 16,000 people were a part of our creative community through their participation in programs held at Main Line Art Center, and more than 80,000 others were positively impacted through our efforts in the community. Join us today!

Scholarships/Tuition Assistance Available

The Art Center grants over \$12,000 in need-based scholarships annually so that children, adults, seniors, and veterans can participate in our offerings regardless of their financial situation. Contact the office for an application or download one online.

Plan Your Event at the Art Center

Host your event here in May and save 15%!

With its unique mix of historical charm and contemporary flair, abundant natural light, and ever-changing fine art, our award-winning gallery is a truly special venue for receptions, bar and bat mitzvahs, corporate and teambuilding events, and more. We can even design a custom art experience especially for your guests! Visit our website or call 610.525.0272 for more information.

Support

Your Creative Community!

"My daughter has participated in the Art Center's Exceptional Art program over a decade. This experience has been invaluable for her, and has enriched her life in a variety of ways. Because of this very personal connection, I have been happy to support the Art Center, financially and in other ways, throughout the past decade. But even without this level of personal involvement, I would continue to support MLAC and would urge others to do so as well."

- Parent of student in our Accessible Art Programs for artists with disabilities

Why Support Main Line Art Center?

Our 50+ year commitment to providing high-quality arts instruction for children and adults with disabilities and at-risk populations is just one of the MANY reasons why you should support Main Line Art Center with a tax-deductible donation.

How Can I Make a Difference?

- **Become a Member** and enjoy year-round benefits like reduced tuition and discounts at local stores.
- Join the **Leadership Circle** by making a donation of \$2,500 or more, and enjoy exclusive special events and special recognition for your generous support.
- Make a **tax-deductible donation** in celebration of a milestone birthday or anniversary.
- **Align your business** with the Art Center through one of our partnership opportunities.
- Reduce your company's PA tax liability by receiving tax credits for your donation through the **Educational Improvement Tax Credit (EITC)**.
- **Volunteer or intern** at Main Line Art Center.
- Join us on **May 18 at Iron Hill in Ardmore** for our lunch or dinner fundraiser (see the Events page for details) or beautify your garden and earn the Art Center money through www.bloominbucks.com.

To make a donation or for more information about supporting the Art Center, visit our website or call us at 610.525.0272.

Mother's Day Tea and Craft for a Cause

Saturday, May 9, 10-11:30 am | \$20 per person

Spend the morning celebrating mom or another special woman and create something beautiful for a woman in need. First, enjoy a gallery talk and light tea party fare in our award-winning galleries surrounded by the stunning Spring Gala Exhibition. Then create custom tea towels to treasure: one for you to take home or give as a gift, and a second for a woman in treatment for breast cancer. The perfect mother-daughter or mother-daughter-granddaughter event to celebrate your special relationship! Ages 12+, please.

Photo by Howard Pitkow

Spring Gala Exhibition

May 2 - June 7
Preview Party: Fri., May 1, 6:30-10 pm
Artist Reception: Saturday, May 30, 1-3 pm

The Spring Gala Exhibition features professional 2 and 3-D works in a variety of styles and price points. Proceeds benefit our programs, including Accessible Art programs for children and adults with disabilities.

Adult Camp Social

Thursday, June 11, 4-5 pm

Join fellow campers for a social featuring wine and munchies in the gallery!

The Expressive Figure in Charcoal Line & Gouache Color

Working with a costumed model, we will loosen up with a series of charcoal drawings and then move to longer poses. After building a foundation with charcoal, the most forgiving of drawing implements, we'll move to into gouache. By day three we will focus on composing your personalized and expressive figure on the page.

Decals: Images on Clay

Transferring images (photos, drawings, or words) to clay will take your work to a whole new level. Explore ways to glaze and add color with underglazes to make the decals work in harmony with your pieces. Bring bisque pieces, as well as glazed pieces or start from scratch. No computer experience necessary.

How to Photograph your Artwork

Stop paying other people for something that you can do yourself! Learn to take better photographs of your work to submit to galleries and exhibits, revamp your website, or just to show others. First, you will learn how to photograph 2 and 3D work, then we'll move on to working with your digital file, including cropping, color correcting, resizing and more, in the Center's digital studio.

Photoshop for Artists

Now that you have captured that great photograph with your camera, what do you do with it? Photoshop is the answer. We start with the basics including downloading, importing and organizing photos, then move to managing RAW files, menus and toolbars, file formats, image size, resolution, layers and much more.

Creative Paper Designs

Create your personalized stack of rich and visually complex papers in this workshop packed with creative techniques such as staining, batiking, dyeing, and stamping. Use them for collage, bookmaking, mixed media artwork, or even wrapping paper. Great for artists, art teachers, and crafters.

Stone-Setting Jewelry Intensive

Bring sparkle, dimension, and added value to your jewelry as you learn three different types of stone-setting: Flush-setting for faceted gemstones, tube-setting, and prong-setting for standard or irregular cabochons.

Handbuilding Clay Camp

Designed for experienced students who want quality time and individualized instruction to work on their self-directed projects under the guidance of a professional artist. Optional daily demos will be given to inspire you.

Compound Wheel Thrown Forms

Hit a size plateau while throwing on the wheel? Can't break the six inch mark? Combining smaller thrown pieces into larger forms is an easy way to up the size ante. We will look at contemporary and historical pottery as a jumping off point to explore proportion, form and composition. Individualized guidance from the instructor will to help you reach new heights!

Glass Fusing Intensive

Let's melt some glass! We'll start with a series of small exercises in jewelry making and ending with a larger panel piece complete with a simple display system. You'll walk away with some truly beautiful works of art and the skills and fire to continue on!

Summer Teen Studios

Main Line Art Center is your summer destination for creativity. Build your skills, create work that you are proud of, and experiment and explore under the guidance of professional artists. Studios are kept small to provide individualized attention and critiques that will help transform you as an artist. Repeat studios to advance your skills, or take multiple studios for a survey of techniques.

Teen Studio Highlights

To read descriptions for all of our Teen Studios, visit MainLineArt.org.

Digital Shorts: Creative Video

If a picture tells a thousand words, then a video tells a million. Harness the power of video to tell your story using a camera or phone and at-home computer software.

Glass Fusing

Explore light, transparency, layering, and color through glass, and create shapes and forms using techniques like kiln carving and slumping. We will create impressive-looking tiles, coasters, small dishes, necklaces, and earrings that you will be proud to say you made.

Gothic Calligraphy

You've seen it used by graffiti artists, on newspaper mastheads, and even those popular vampire book covers. There's a reason why "Old English," Gothic calligraphy is so popular. Working with pen and ink, you'll learn basic Gothic letterforms, along with flourishing and some gold illumination.

Graffiti Arts

We'll look at the history and current trends of this eclectic medium as we create powerful works of art using stencils, lettering, montage, painting, and more. Then, learn how artists take it from the street to the world of art and media.

Mosaics

Create a colorful mosaic using colored glass, stone and other materials. Learn how to safely cut pottery and glass to create intricate designs and then grout them. Individual tiles and more complex mosaics will be covered as each student expands their creativity with design and color.

Photography & Digital Art

Go beyond the camera phone and take picture-perfect images using your digital camera. Then, trick out your photos in our digital art studio. Must provide your own digital camera and USB/connector cord.

Photo Encaustics

Turn photographic prints that you've taken or found into mixed-media masterpieces as you explore the boundaries of image making. Photo encaustics combines photography with the ancient art of painting using beeswax and pigments.

Photo Book

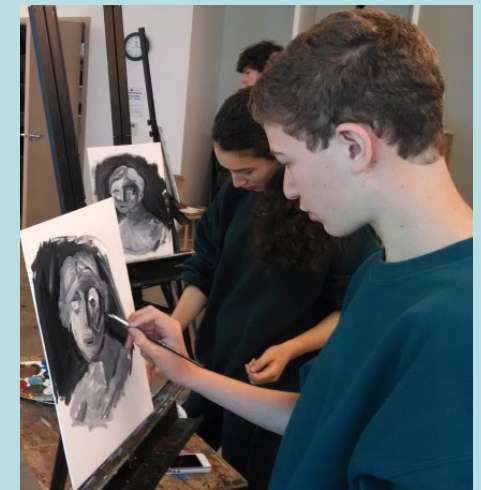

Tell your own story your own way and create a book that is unique as you are using photos, papers, drawings, paintings, and encaustics.

Portfolio Development

Serious about a career or studies in the visual arts? We'll walk through the application process, college interviews, portfolio requirements, statements of purpose, and review artwork. Young artists will leave with a better understanding the application process.

Stop Animation

First we'll view a few films for inspiration, and then get to work in our new digital media studio. We'll first create flip books and then dive into film-making using drawing, modeling clay, puppetry, objects from life, or a combo. Images will then be brought to life using editing software and uploaded to YouTube.

**\$25 discount if registering for more than one Teen Studio.
Build your perfect summer!**

11 Weekly Sessions in Full & Half Days

Drawing | Painting | Jewelry & Metals | Ceramics & Sculpture
Digital Media | Fiber Arts | Printmaking

It's not too soon to reserve your week! Your business will be co-branded with all Art Center printed and digital camp materials and will have the opportunity to engage with parents and caregivers at a Friday Art Party. **Only 5 spaces remain!**

Now Registering: Summer Art Camp & Pre-Teen Studios: WILD ABOUT ART!

June 15 - August 28 | Ages 4-12

This is way more than your average arts-and-craft camp. Here, campers work alongside professional artists in real art studios on way-cool projects that are designed to tap into their innate creativity and stretch their imaginations. Each week-long session introduces young artists to a variety of materials, techniques, and artistic concepts in a nurturing environment that embraces artists of all levels. While learning the fundamentals of drawing, painting, ceramics, printmaking, fiber arts, jewelry, and metals, campers develop life skills and memories that will stick with them long after they've left our program. Call us at 610.525.0272 ext. 110 to register, or visit MainLineArt.org.
