

## Pastels

With Carol Kardon

### Bring to Class:

- Any brand of **Soft** pastels (at least 10 or as many as you want)
  - **Beginners** – no need to buy an entire set of pastels, you can buy a small set or even a small amount of individual sticks. Instructor prefers the brand called Schminke, but students might hold off buying until first class.
  
- Pastel paper (any size, either white or neutral shade):
  - Instructor prefers the following brands of pastel paper: “Wallis” paper OR “Pastel Mat” paper. These papers can be purchased online through Dakota Art Supply website or the Dick Blick website (Blick also has a store in Philadelphia). These are teachers preferred papers, **BUT any pastel paper is fine to bring.**
  
- **Other supplies:**
  - A blending stump (also called tortillon)
  - Old, used stiff bristle brush
