## **The Art of the Sketchbook**

Experience how stimulating and rewarding creating a sketchbook can be as in the work of Da Vinci to Edward Hopper. This class is about developing good sketchbook habits for future projects and to explore various ways in which you may daily express yourself. Through guided exercises done in class and at home, students will further develop their drawing, and “sight seeing” skills, while, using what’s already in your tool box. All levels of creative individuals are welcome! A 9x12” Hardbound Sketchbook is encouraged to use.
