# 10 LESSONS THE ARTS TEACH KIDS

- 1** The arts teach children to make good judgments about qualitative relationships.
- 2** The arts teach children that problems can have more than one solution and that questions can have more than one answer.
- 3** The arts celebrate multiple perspectives.

- 4** The arts teach children that in complex forms of problem solving purposes are seldom fixed, but change with circumstance and opportunity.
- 5** The arts make vivid the fact that neither words in their literal form nor numbers exhaust what we can know.
- 6** The arts teach students that small differences can have large effects.
- 7** The arts teach students to think through and within a material.
- 8** The arts help children learn to say what cannot be said.

- 9** The arts enable us to have experience we can have from no other source and through such experience to discover the range and variety of what we are capable of feeling.
- 10** The arts' position in the school curriculum symbolizes to the young what adults believe is important.

# SUPPORT

## ACCESSIBLE ART SPOTLIGHT: SCHOLARSHIPS & TUITION ASSISTANCE

Each year, thanks to generous donations from people like you, Main Line Art Center grants over \$12,000 in need-based tuition assistance and scholarships so anyone can participate in classes, workshops, or camp regardless of their financial situation. This support allows more children to flourish in Summer Art Camp, more seniors to paint alongside friends, and more individuals with disabilities to experience the transformative powers of art.

**Sadly, requests for tuition assistance outpaced funds last year, which is why we are asking for your help. Please help us meet the growing demand for tuition assistance by remembering Main Line Art Center in your year-end giving!**

**YOU CAN HELP OTHERS AND BE A CHAMPION FOR THE ARTS!

# ART STAR:

## BERNICE PAUL

### **35+ Year Community Member... And Counting!**

Bernice Paul is a 98-year-old painter based in Philadelphia. Originally from Moscow, Russia, Bernice immigrated to Philadelphia with her family through Ellis Island during the Depression when the Nazis were coming into power in Europe. Once settled in Philadelphia, Bernice studied art extensively at the Barnes Foundation, Pennsylvania Academy of the Fine Arts, Fleisher Art Memorial, and the Philadelphia College of Art...and of course, Main Line Art Center!

Bernice has been an important part of the Main Line Art Center community as a student and member for over 35 years. Currently a Professional Artist Member, Bernice most recently exhibited her work in our annual Members and Professional Artist Member exhibitions. She keeps coming back to the Art Center because of its "very good teachers, and being able to paint with other people who are interested in the same thing." For Bernice, her time here also means keeping up friendships with fellow painting students Louise Herring and Louise Clearfield, whom she has known since early days at Main Line Art Center, when workshops were still held in the attic!

Bernice's work has been exhibited extensively in the Greater Philadelphia area, including Fleisher Art Memorial, Philadelphia City Hall, Philadelphia Museum of Art, and Woodmere Art Museum, among others. Her vibrant artistic style has earned many awards, including recently at a juried exhibition of the Delaware County Art League, where her prize-winning still life was cited for its "exciting composition and the physicality and joy of the artist's brush strokes."

### **HAVE YOU BEEN CALLING MAIN LINE ART CENTER YOUR CREATIVE HOME FOR 10+ CONSECUTIVE YEARS?**

Whether you are a generous supporter, student, or member, we want to recognize and thank you at the State of the Art Center Reception on Dec. 11!

If the Art Center has been your home away from home for 10 years or more, contact Stephanie Fuentes at 610-525-0272 x112 or [sfuentes@mainlineart.org](mailto:sfuentes@mainlineart.org).
