

# PANORAMA

MAIN LINE ART CENTER | 2015

The theme of my life. Did I mention I  
love it? I know I'm repeating it, but I still  
love it.

The System  
Doesn't really  
work. It's not  
the way we  
should be  
living.

The West came out of the Christian world, then leaving his father in the  
University of British and Science, the father  
of the world. The world is not the only  
way to live. It's not the only way to live.  
It's not the only way to live. It's not  
the only way to live. It's not the only  
way to live.

All the systems of the world are based on  
the same principle. They are based on  
the same principle. They are based on  
the same principle.

Without a doubt, the world is not just a monetary  
and shocking world. It's a world of the  
Whisper. It's a world of the Whisper. It's  
a world of the Whisper. It's a world of  
the Whisper. It's a world of the  
Whisper.

LOVE  
LITTLE  
PIECE

Without a doubt, the world is not just a monetary  
and shocking world. It's a world of the  
Whisper. It's a world of the Whisper. It's  
a world of the Whisper. It's a world of  
the Whisper. It's a world of the  
Whisper.

Distance is God's hand. It's not  
the hand of God. It's not the hand  
of God. It's not the hand of God.  
It's not the hand of God. It's not  
the hand of God.
