

## **Ceramics Supply List**

CLAY: Clay must be purchased through Main Line Art Center. Clay can be purchased on the first night of class (and as needed thereafter). Please consult your instructor before purchasing clay.

TOOLS: Beginner students are advised to purchase a “Beginner tool kit”. This kit is typically available for purchase at Art Center. Students may purchase this kit elsewhere ahead of class (from Merion Art & Repro in Ardmore, or online).

### **Beginner’s Ceramic Tool Set should include the following tools:**

- Needle Tool
- Wooden Rib
- Metal Rib
- Rubber Rib
- Wire Tool
- Small Hand-sized sponge

### Additional Supplies & Info:

- Bring a notebook and pencil
- Wear clothes and shoes that can get messy. You may want to bring a smock or apron as well.

This is a helpful list to get you started and prepared for the first day of your ceramics class. Your instructor may discuss additional supplies that would also be helpful to your specific class.
