ART IN ACTION

April 28 – June 2, 2018

Art in Action, Main Line Art Center's 2018 spring exhibition and scholarship drive, will feature the work of Jessica Curtaz (in collaboration with Pennsylvania School for the Deaf), Ariel Edwards, Elaine Lisle, Deirdre Murphy and Scott White (in collaboration with a student from The Shipley School), and Bernice Paul. Through mixed media, installation, ceramics, and painting, these artists each represent a different facet of our creative community: accessible art programs, teachers, students, members, and staff. Together they embody our vision of art for everyone. The opening celebration will kick off our crowdfunding campaign designed to increase the number of need-based and accessible art scholarships we grant each year to children, adults, seniors, veterans, and families. With *Art in Action*, we hope to raise scholarship funds, celebrate our artistic community and honor our mission to make art accessible to everyone.

ACCESSIBLE ART EXHIBITION

April 3 – June 4, 2018

We are proud to feature the inspiring work created by participants in Main Line Art Center's accessible art programs for children, teens, and adults with disabilities and underserved youth. For 53+ years, these programs have transformed thousands of lives and positioned the Center as a resource for individuals in our community and organizations across the country. Join us in the Center's Sensory Garden for the annual Sensory Garden Party as we honor the artists featured in the exhibitions.

SPRING FEVER CRAFT MARKET

May 5, 2018, 10 AM - 5 PM

SENSORY GARDEN PARTY

June 2, 2018, 1 PM - 4 PM

Join us in the Sensory Garden as we celebrate the close of the *Art in Action* Exhibition and Accessible Art Exhibitions, featuring the inspiring work created by children and adults with disabilities and underserved youth. SUPPORT MLAC

ART IN ACTION

Help us provide \$35,000 in need-based tuition assistance to our community. Join Art in Action, Main Line Art Center's Scholarship drive.

When you support Art in Action, you provide need-based tuition assistance to children, adults, seniors, veterans, and families, many of whom otherwise would not have the opportunity to experience the power of artmaking, to build confidence, self-esteem, creativity, and a sense of community. Our tuition assistance programs also support the Center's accessible art programs for adults and children with disabilities, many of which are provided for free, or at little cost to participants.

In previous years, Main Line Art Center's funds for need-based tuition assistance have been quickly depleted because of the high-demand for these scholarships. Through Art in Action, Main Line Art Center's Scholarship Drive, you can help us provide \$35,000 in need-based tuition assistance to our community.

It's simple! You can donate to our campaign when it goes live on April 28th at www.gofundme.com/mainlineart. After you donate, share the campaign with your network: family, friends, co-workers, students, teachers, artists, arts advocates, etc. Crowdfunding works by asking a large number of people for a small amount of money, instead of asking a small amount of people for a large amount of money. In order for the campaign to be a success, we need your help!
