BEYOND THE SCREEN

Sept. 8 – Oct. 21, 2018

Opening Reception & Artist Talks with Adam Chau, Nancy Daly & Dawn Kramlich:

Fri. Sept. 14th 5:30 – 8 pm

Beyond the Screen examines the complexity of the online social world and how it effects our behavior, perceived identity and communication. Through their individual perspectives and artistic explorations, these artists question contemporary media culture and put a spotlight on its all-consuming nature. By addressing the contradictions between technology and its intended benefit to our lives, these works challenge us to question who we are and who we want to be on the other side of the screen.
