Main Line Art Center announces our first outdoor garden sculpture exhibition presented throughout our property. All sculptors are eligible to apply. Sculptures can line our spacious front porch, be hung from trees, be nestled in our flower beds, or go anywhere else they can be safely installed! Sculptures must be weather and frost safe. Artists must deliver their work to the center and participate in installation as needed. Accepted artists will be notified in April 2021. Accepted artists are encouraged to attend the opening reception held in conjunction with our Sensory Garden Party on Saturday, June 5th, 2021. Please contact Ariel Edwards, Co-Executive Director, at aedwards@mainlineart.org with any questions.

Due to the public location of our gardens, Main Line Art Center is not responsible for damage to artwork while on our property or in transit.
