# A SUMMER of COLOR!

## Camp Structure

**Celebrate the summer with splashes of color!**

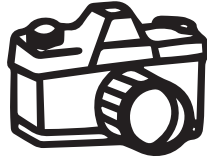

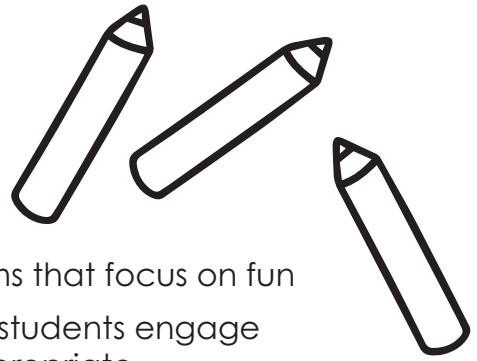

Explore your creativity as you learn your own unique way to color the world. Campers registered for multiple weeks can expect a variety of different lessons, and our experienced teaching artists bring their own creative flare to the classroom. Class sizes are small, and safety is our first priority. Palette Pals can register for either a full-day or half-day session (morning or afternoon). Pre-teens and teens can pair morning and afternoon camps for a full-day experience, or choose a half-day camp (morning or afternoon). All campers must bring a snack; full-day campers must bring a lunch and snack. Students spend most of the day in our studios with breaks outside if weather permits. We end each Friday with an Art Party from 3:00 - 3:30 pm to celebrate your camper's creative accomplishments. Join us this summer to make some colorful, new memories!

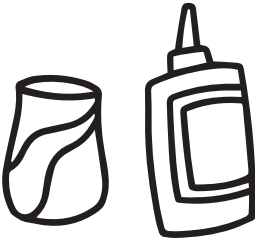

### Palette Pals ages 5 - 9

- A tour of art styles and mediums that focus on fun
- Classes are leveled by age so students engage with their peers through age appropriate art experiences.
- Students work with multiple teaching artists in various studios throughout the building

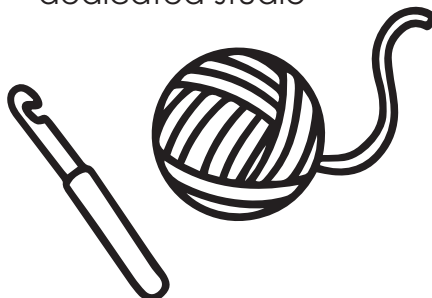

### Pre-Teen Studios ages 10 - 12

- Focused, in-depth learning and experimentation with a single medium.
- Techniques are more advanced, and the learning faster paced.
- Students work with a single teaching artist in a dedicated studio

### Teen Studios ages 13-16

- Mastery of new techniques and unique studio topics
- Flexibility allows for student independence and experimentation
- Students work with a single teaching artist in a dedicated studio

# Pre-Teen & Teen Studio Descriptions

## Ceramics & Sculpture

**Wheelthrowing:** Turn a ball of clay into art on the potter's wheel and master centering, throwing, and glazing!

**Raku: The Japanese Art of Firing Pottery:** Create clay pieces then glaze and fire them in a magical way. Come and experience the thrill of a firing in our outdoor Raku kiln! Please note students need to observe all enforced safety measures as the process involves extreme heat and smoke. All students must wear long pants, closed toed shoes, and tie their hair back on firing days.

**Mosaics:** Create intricate patterns and designs in stone, ceramics, glass, and found objects.

**Sculpture Lab:** Learn fundamentals of design and construction as you bring your 2-D designs to life using mixed techniques.

## Drawing & Painting

**Portrait Drawing:** Explore proportion, form, gesture, and composition while using a variety of drawing and painting materials.

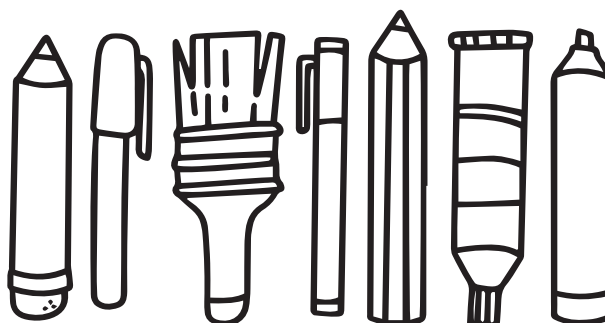

**Sketchbooks:** Capture ideas and images as you create a sketchbook using observational and gesture drawing, text, and collage.

**Encaustic Painting:** Learn the ancient art of painting using wax. Collage, paint, and draw your way to a surprising work of art.

**Drawing & Painting Intensive:** Explore traditional techniques in a variety of 2-D media while training your eye to work from observation.

**Figure Drawing:** Explore proportion, form, gesture, and composition as you draw from both images and clothed models.

**Painting with Watercolors & More:** Explore the incredible world of watercolor, ink, or gouache while creating deep, layered artworks.

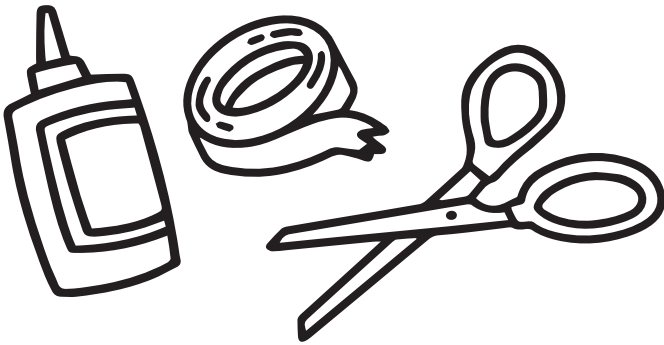

## Comics

### **Drawing for Comics, Manga &**

**Animation:** Hone your drawing skills with an eye towards mastery of figure, expression, and narrative storytelling.

**Alternative Comics:** Draw mini-comics and create stories about topics you're passionate about while learning about the underground alternative comics scene.

**Comics & Character Design:** Learn to tell a story in comics and fill your world with heroic, funny, or sinister characters.

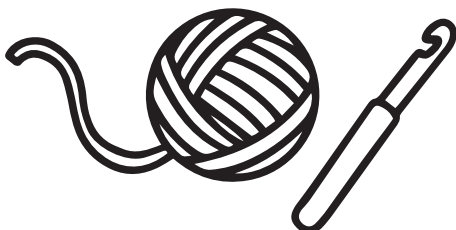

## Print & Book Arts

**Bookmaking:** Discover the incredible world of handmade artist books. Create your own sketchbook or artist book to enjoy for years to come.

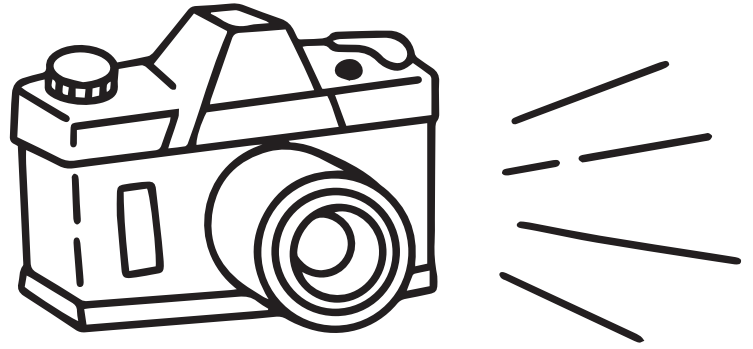

**Gelli Plate Printing:** Layer color, pattern and imagery to create beautiful prints using the easy and versatile Gelli print-plate.

**Mixed Media Collage:** Combine painting, collage, photos and mixed media to create more surreal and dreamlike works of art.

## Photography

**Digital Photography:** Learn about composition, light, and narrative storytelling. The Center's cameras are shared among campers; please bring a flash drive to save your work.

**Darkroom Photography:** Learn to compose exciting images and develop them in the darkroom. Cameras and film are provided.

**Alternative Processes in Photography:** Delve into artmaking processes that live on the periphery of photography like photograms and cyanotypes.

## Fiber Arts

**Yarn Bombing: Intro to Crochet & Knitting:** Learn slip knots, single crochet, and how to increase and decrease as you learn the basics of crocheting or knitting.

**Silk Painting:** Learn to decorate silk using wax resist and painting techniques with traditional tools.

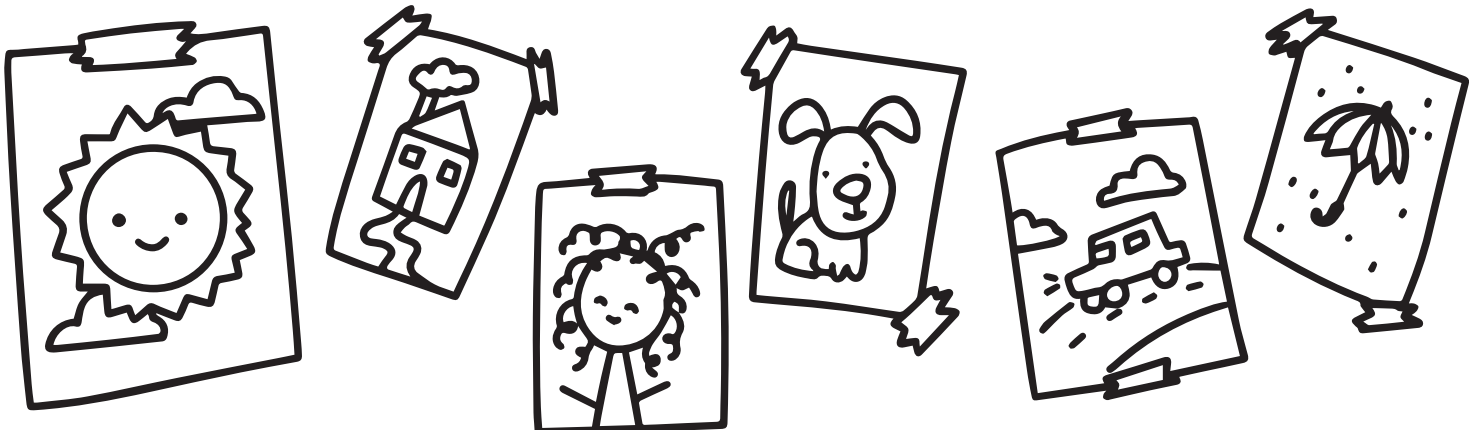

## Jewelry, Metals & Glass

**Jewelry & Metals:** Saw, polish, stamp, and combine metals to create sculptural or wearable works of art.

**Glass Fusing:** Explore light, layering, and color as you learn to cut glass, compose designs, and create masterpieces.
