

# What to Expect for Camp at Main Line Art Center

## Arriving & Waiting in Car Line

**From 8:45-9AM & 12:15-12:30PM**

I am going to Main Line Art Center for Camp. When our car pulls into the parking lot we will veer left and wait in a line of cars until our car is in front of the big white building. When I'm safely in front of the building, I will get out of the car.

## Meeting the Camp Directors & TAAs

Around 9AM & 12:30PM

In front of the building, the Camp Directors Amanda and Rosemary will greet me and welcome me inside.

I will also meet several TAAs (Teaching Artists Assistants), all wearing the same colored T-shirt. They will help me throughout the day.

## Navigating the Building

Once inside, it might be loud because there are many other campers arriving at the same time. The TAAs will guide me down a hallway toward the back of the building, then lead me upstairs or downstairs to my classroom.

## Snack and Lunch in the Galleries

**AM snack: 10:20-10:30AM | PM snack: 1:50-2:00PM | Lunch: 11:50AM-12:30PM**

I will have snack in the galleries once in the morning and once in the afternoon. I'll also eat lunch here mid-day. It will be loud because there are many other campers joining me. My TAAs will help me if I need to take a break or use the bathroom.

## The Front Desk

I can check in with Katie or Sandra at the front desk, located next to the galleries, if I need help:

- Knowing where to go
- Calling my parent if I'm feeling sick
- Getting water

## Dismissal

**From 3:15-3:30PM**

At the end of the day I will gather my things and listen to my teacher's instructions for dismissal. I'll wait on the sidewalk with my friends until I see my parent's car and a teacher calls my name to leave.
