

What to Expect for Camp at Main Line Art Center

Welcome to Main Line Art Center Summer Art Camp

Arriving & Waiting in Car Line

From 8:45-9 AM & 12:15-12:30 PM

I am going to Main Line Art Center for Camp. When our car pulls into the parking lot we will veer left and wait in a line of cars until our car is in front of the big white building. I may have to wait in the carline for up to 10 minutes on the first day of camp. When I'm safely in front of the building, I will get out of the car.

Meeting the Camp Directors & TAAs

Around 9 AM & 12:30 PM

In front of the building, the Camp Directors, Amanda & Rosemary will greet me and welcome me inside.

I will also meet several TAAs (Teaching Artist Assistants), all wearing the same colored t-shirt. They will help me throughout the day.

Navigating the Building

Once inside, it might be loud because there are many other campers arriving at the same time. The TAAs will guide me to the galleries or down a hallway which will lead to studios upstairs or downstairs depending on which class I am taking.

Snack & Lunch in the Galleries

AM snack: 10:20-10:30 AM

PM snack: 1:50-2:00 PM

Lunch: 11:50 AM-12:30 PM

I will have snack in the galleries or the garden under a bit white tent, once in the morning and once in the afternoon. If I am in full-day camp, I will also eat lunch here. It will be loud because there are many campers joining me. My TAAs will help me if I need to take a break or use the bathroom.

The Front Desk

I can check in with Sandra, Kenyssa, or Ollie at the front desk, located next to the galleries, if I need help.

They can help me with:

- Knowing where to go
- Calling my parent if I'm feeling sick
- Getting water
- Getting a band aid from the first aid kit

Sandra

Kenyssa

Ollie

Dismissal

From 3:15-3:30 PM

At the end of the day, I will gather my things and listen to my Teaching Artist's instructions for dismissal. I'll wait on the sidewalk with my friends until I see my parent's car and a teacher calls my name to leave.
